

Price Sheet

At Cornerstone Aviation, we do everything we can to keep the costs of flying as low as possible, while still ensuring that:

- Our Certified Flight and Ground Instructors are the best among all flight training professionals, and are continuously trained to maintain their technical excellence and superior teaching abilities;
- Our Customer Service Representatives / Dispatchers are well-trained and well-compensated to ensure your safety and satisfaction; and
- Our aircraft are the most reliable and effective training aids in the flight training business, and are always properly maintained and insured.

Regrettably, we must implement a price increase – our first in two years and only our second in the last five years. **Prices are effective at 0001 MDT 1 May 2023.**
