

Price Sheet

At Cornerstone Aviation, we do everything we can to keep the costs of flying as low as possible, while still ensuring that:

- Our Certified Flight and Ground Instructors are continuously trained to maintain their technical excellence and superior teaching abilities;
- Our Customer Service Representatives / Dispatchers are well-trained and well-compensated to ensure your safety and satisfaction; and
- Our aircraft are the most reliable and effective training aids in the flight training business and are always properly maintained and insured.

Regrettably, we must implement a price increase – our first in two years and only our third in the last seven years. ***Prices are effective at 0001 MDT 1 January 2025 (see note)***

Note: 2024 prices will be honored through the completion of the current course for students who were enrolled prior to 31 December 2024. Enrollment is evidenced by: payment of registration fee; submission of all completed enrollment paperwork; proof of Renter's Insurance; and payment of security deposit. This price guarantee will be executed by charging new 2025 prices, but then tracking the overcharges and applying the accrued credit to the final flight(s) flown in the course. Price guarantee expires 31 December 2025; unused credits never expire.
